

Design Committee minutes approved

Design Committee

July 1, 2008

Mission: Make Six Corners physically attractive to consumers

| Item | Information | Action |
|----------------------|--|--|
| Attendance | Present were (2) attendees: Vincent Mastromauro, Joe Angelastri and Ed Bannon | NA |
| Approval of minutes | Vincent M. made a motion to approve the minutes of the Design Committee and Ed B. seconded it. | The minutes were approved without changes. |
| Parking permit sale | Today is the first day when parking permits are available to the Laporte lot. Postcards and e-mails have gone out. There was a request to find out if any had been sold. | Find out sales figures. |
| Signage proposal | The city Department of Revenue said that no changes can be made while the city investigates changes in the management of its parking lots. Further word might be available in mid-July. | Get updates for August meeting. |
| Homeless/panhandling | A new social worker has started for Hands To Help. Joe A. and Ed B. walked him around the area. Vince M. wants his contact info and to find out his hours in order to refer someone to him. | Get contact info to Vince. |
| Streetscape | It seems less and less likely that the Six Corners streetscape will begin this year given that the city says it's still working on the designs with the state and that it would take time to bid the contract even once the plans were finalized. The good news, however, is that the Milwaukee Avenue work has begun north of Montrose, and the city's plan has always been to finish that segment first. | Ask about updated construction timeline. |
| Athletico mural | Nick Tufano, who is spearheading this project, was unable to make the meeting. No update. | NA |
| Open signs | The committee decided last month to begin an "open sign" program. Ed B. has looked at a few signs. The committee's direction was requested to select a sign. | Select a sign. |
| Adjournment | The next meeting of the Design Committee was called for 1 p.m., Aug. 5, at the Six Corners office, 4006 N. Milwaukee Ave. #205. | Meeting adjourned |
