

Chicago Department of Transportation (CDOT) Project No. B-7-150

Milwaukee Ave. Section 2/ Six Corners Improvement N. Milwaukee Ave. – N. Kilpatrick Ave. to W. Montrose Ave. W. Irving Park Rd. – N. Lavergne Ave. to east of N. Kilpatrick Ave. N. Cicero Ave. – W. Byron St. to W. Belle Plaine Ave.

Work is continuing on the Milwaukee/ Six Corners Improvement. As Stage 2 of the project starts on the west side of Milwaukee, CDOT's Contractor will be reconfiguring the intersection at Kilpatrick and Byron to increase its safety and to install a new traffic signal at this location.

In order to complete this work, Kilpatrick and Byron at the Milwaukee intersection will be closed for approximately a month. In order to provide adequate access to local residents, CDOT will prohibit parking on one side of the street on Byron and on Kilpatrick, and will permit two-way local traffic only on these streets temporarily during the closure of this intersection.
